THE STUDENT COUNCIL

The Student Council is made up of the class officers of the four classes plus four students appointed by the administration, making a total of sixteen members. The Council is occasionally asked to pass judgment upon and to make recommendations concerning school problems which arise from time to time.

During the school year 1952-53 the Student Council members gave fine co-operation and assistance in the administration of football and basketball games. They served as ticket sellers and ticket takers for all of the

freshman-sophomore football games, helped with door guarding at all of the basketball games, and also helped with the distribution of programs.

Next year the Student Council will include those students who are members of the National Honor Society and still in school. The Council also hopes to work out a visitation program whereby the members will visit other high schools throughout Southern Illinois.

THE TEENARIAN CLUB

The Teenarian Club is a sort of junior Rotary Club because it functions in close cooperation with the Herrin Rotary Club. For each member of the Rotary Club there is a Teenarian. This Teenarian is assigned to a Rotarian who is his "big brother". Usually this assignment is made upon the basis of the Teenarian's vocational interest. If he is interested in being a merchant, there is a strong effort made to

assign him to a merchant member of the Rotary Club.

The Teenarian Club meets every Thursday during the noon hour and the members have luncheon together. This luncheon is followed by a program. During the school year 1952-53 Mr. William Jack, Jr. has been the chairman of the Rotary Club's Teenarian Committee. He has done an excellent job, for we have had interesting programs.

One of the school's most active clubs, the Thespians furnish talent for programs given for local organizations during the course of the year.

To obtain membership, one must show interest and ability for doing platform work and must have at least one semester of speech.

Those members, who have been in at least two major plays or one major and two minor plays or the equivalent such as, student director, stage hand, prop manager, etc., and have had membership in the club in their last three semesters in high school, will have the honor of receiving, on graduation, the much desired Thespian pin. Nine seniors will receive the pin this year.

HERRIN LOYALTY

*We're all at your back, Herrin High.
We're Orange and Black, Herrin High.
We'll back you to stand against
The best in the land,
For we know you have sand, Herrin High
Rah! Rah!
Go smash that blockade, Herrin High.
Go crashing ahead, Herrin High.
Our team is our fame protector,
On boys, for we expect a victory
From you, Herrin High.
Chee he, Chee ha, Chee ha ha ha
Herrin High, Herrin High, Herrin High.
Rah! Rah!*

*Fling out that dear old flag
Of Orange and Black.
Lead on your sons and daughters
Fighting for you.
Like men of old on giants,
Placing reliance, shouting defiance.
Oskey Wow Wow!
Amid the broad green plains
That nourish our land,
For honest labor and for learning
We stand
And unto thee, we pledge
Our hearts and hands,
Dear Alma Mater, Herrin High.*

NEW SCOREBOARD

The new scoreboard, given to the high school by Post 1567 of the local Veterans of Foreign Wars, was dedicated during the intermission between basketball games February 14.

The speaker for the evening was Harvey Shipp, Chicago, an ardent worker in V. F. W. In his talk Shipp expressed his belief that through such gifts as this comes the true spirit of democracy. He concluded his talk by relating that only with the combination of all our forces can we hope to top Communism or any other form of aggression.

The scoreboard was provided for the fans who sit in the west end of the gymnasium, who before could not see the score without turning completely around.

LIBRARY STOCKS NEW BOOKS

Visited the library lately? Herrin high school's library is certainly a "swell" place to catch up on a lot of good reading.

Miss Myrtle Sanford, Herrin high school's librarian, has just received a new shipment of books. Approximately 400 books were delivered to the library in January.

Such well-known books as BLOODY WILLIAMSON, A ROBIN REDBREAST IN A CAGE, MORE, MADAM CURIE, CRIME IN THE UNITED STATES, THE SILVER CHalice, HUNTER, A CAP FOR CORRINE, and PAINTBOX SUMMER can be found on

and mathma-

parts.

Much of the credit goes, too, to the juniors themselves. No one knows, unless he has taken part in one of these so-called "amateur" performances, just how much work is involved in being in

an extra pat on the back for its exceptionally good work. Without that appropriate background, the play would not have been quite so effective.

The cast for this year's junior production was rather large and predominately feminine. Only four boys, Charles Blaylock, Danny Kane, Norman Jones, and Paul Varacalli, had parts. There were 17 girls in the cast. Dianne Barnes

The Herrin cheerleaders have just concluded another successful year. Whether the teams won or lost, the loyalty and enthusiasm of the cheerleaders was always great as they supported the teams in all games of the regular season and through three tournament sessions. They presented a variety program at the basketball fans' banquet in March and presented the same program for Teen-Town Time at WJPF. As a reward for their work, the cheerleaders received H's, which were presented to them at the fans' banquet.

National Honor Society

The National Honor Society is an organization composed of students chosen by a committee of faculty members. The students are selected into this society on the basis of character, scholarship, leadership, and service. No higher honor can be conferred upon any student of Herrin High School than membership in this organization.

This society is a part of a national organization. Every year each school may select for its members a maximum of 5 per cent of the junior class and an additional 10 per cent of the senior class. This year juniors had to maintain a scholastic average of 4.25. The newly elected members were initiated at a very impressive ceremony. New members received their charge to maintain the fundamentals of the organization from the old members.

The members from last year were Juliann Cronin, Mary Alice Lewis, Carl Mitchell, Ron Mitchell, Joan Tidwell, Peggy Vallett, and Jessie West. New members are Dianne Barnes, Catherine Berra, Jack Burke, Phyllis Carnago, Mary Ann Chiodini, Wynn Church, Terry Cline, Marilyn Eckert, Steve Goldsmith, Judy Jack, Janet Lukens, Phyllis Marlow, Gerald Miriani, Dick Owen, Joan Petroski, Pat Surgalski, and Margie Walker.

LANGUAGE CLASSES SPONSOR WAR ORPHAN

This is Niki Fakitsa, the foster child of the foreign language classes and Mrs. Lingle. She is a little girl who lives in Greece. During her five and a half years of life she has known more than her share of hardship and tragedy because war deprived her of her father, home, and all means of livelihood. She lives with her mother, brothers, and sister in very destitute circumstances. The students of the Latin and French classes are trying to add a little comfort to her life.

Dear Mary Jo.
(the little part)
I want to wish
the best of good luck
in your stay at high school.
You are a very good student
keep it up. Best of luck.
